mee. The Revolution left an tish sentiment which has never akened in the transmission from ion to generation. The war of d the Indian burbarities for which

nt.

Indrew Johnson, with all his faults, never been guitty of saything of the ing shown by his namesake in Longard we have no doubt that has own tube has been to recall the dotine old in he has sent to that Court. How farmay be restrained by Mr. Seward's bluck to wind up the Alabama claimsing his administration we do not too, but as the World said of Frank it when it want of his work of his court of the said o when it wanted him to withdraw, esident, by recalling Reverdy Joha-nd leaving the mission vacant until w administration comes in, would m "a chivalric actior," not only

the our way, the social, and is hardly what would be expected from a posent, grave and reversed seigner. Nothody can so well judge of what befits him as Senator Pomercy himsely and—as the black man and to the white one who isnisted upon sharting a seaf with him as railroad car, notwithstandiur his assurances that he was a "algory," "If you can stand it I can"—if Senator Pomercy can stand it, we don't see why newspaper editors ahould make themselves unbapper about it. We once knew of the mate of a ship who, walking up a London deck with a hat tall of emugglid olgars, was touched on the shoulder by a nuspicious revenue officer with the manapected demand,

Print pure, then peaceful, is the rule. Let those with perpetrated the fronts and forgeries be searched out, exposed and brought to condien panishment as a warning to other ins breakers as ruber-fully the condient of the c
